

PURR-ANGELS NEWS - OCTOBER 2025

PURR-ANGELS is an all-volunteer non-profit serving Siskiyou County since 2006.

Our mission is to provide compassionate care for and population control of feral/homeless felines through spay/neuter/vaccinate clinics, colony management programs and abandoned or abused cat and kitten foster and adoption programs.

Since 2006 we have conducted over 180 free clinics and have spayed, neutered and vaccinated OVER 7200 cats and kittens!

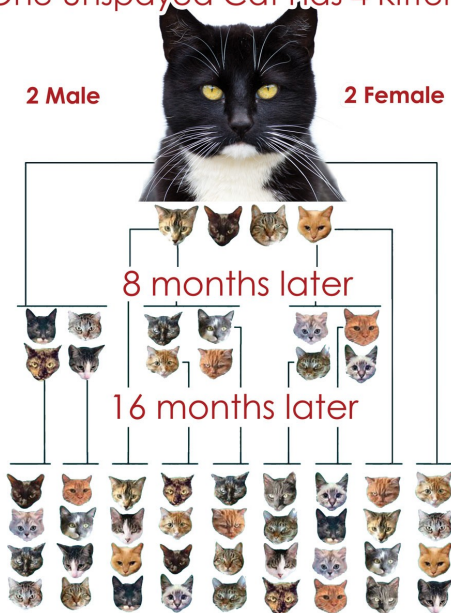

SPAY NEUTER

The two MOST important words in the cat world!!

SPAY & NEUTER = NO KITTEN RESCUE! Help us help them!

One Unspayed Cat Has 4 Kittens

DID YOU KNOW??

A single pair of cats and their offspring can produce a *staggering* total of 376 kittens in just 3 years!!

Have you noticed a growing colony in your neighborhood?

Call PURR-ANGELS before it's out of control!

SPECIAL PLEA FOR 2025/26:

Please consider fostering kittens! No matter how hard we work at spay/neuter, every spring and summer there are helpless kittens that need to be rescued from a life on the streets. All the shelters become full very quickly. Most kittens just need a little socializing and they can go on to their furrever homes! We supply food, litter, cages and support! Please call Jan for more information on this much needed service! 530-905-3646
